

# Vardaan Gaur

MERN Stack Developer | B.Tech CSE (2nd Year)

Greater Noida, Uttar Pradesh    [vardaan@email.com](mailto:vardaan@email.com)    +91 80773 17929

[github.com/vardaangaur](https://github.com/vardaangaur)    [linkedin.com/in/vardaangaur](https://linkedin.com/in/vardaangaur)

## Technical Skills

---

**Languages:** JavaScript (ES6+), C, C++, HTML5, CSS3

**Frontend:** React.js, Bootstrap, Tailwind CSS, Responsive Design

**Backend:** Node.js, Express.js, RESTful API Development

**Database:** MongoDB, Mongoose

**Tools & Platforms:** Git, GitHub, VS Code, Postman, npm

## Project

---

### Student Task Manager – MERN Stack Full-Stack Application

A responsive and user-friendly web application designed for students to efficiently manage daily academic and personal tasks.

- Implemented secure user authentication using JWT and bcrypt.
- Built intuitive task CRUD functionality with React Hooks and Axios.
- Designed mobile-first UI using Tailwind CSS and conditional rendering.
- Structured backend using Express.js and MongoDB Atlas.

## Experience

---

### Technical Volunteer – Coding Club, GL Bajaj

Oct 2024 – Present

- Mentoring juniors in React.js fundamentals and GitHub basics.
- Assisting with setup and walkthroughs for internal coding sessions.
- Supporting coordination of hackathons and coding events.

## Learning & Development

---

- Advancing full-stack skills through structured MERN projects and courses.
- Strengthening problem-solving via regular DSA practice using C and C++ on LeetCode and CodeStudio.
- Actively contributing to and learning from GitHub repositories.
- Staying updated through blogs, online communities, and industry news.

## Interests & Aspirations

---

- Designing and deploying full-stack web solutions.
- Exploring cloud deployment and backend optimization.
- Passionate about clean code, scalable systems, and user experience.
- Eager to intern in a dynamic tech environment and build impactful products.

## Education

---

### GL Bajaj Institute of Technology and Management, Greater Noida

Bachelor of Technology in Computer Science Engineering (2023–2027)

Current Year: 2nd    CGPA: 7.15

### Senior Secondary – CBSE Board

PCM with Computer Science

Year of Completion: 2023    Percentage: 89%
